

NOTICE OF HEARING AND REVISED RATES

NOTICE IS HEREBY GIVEN that The Southeast Morris County Municipal Utilities Authority proposes to adopt the revised schedules of service charges hereinafter set forth for water and water services, facilities and products provided to customers situated within the Authority's District (comprising the Town of Morristown, the Township of Morris, the Township of Hanover and the Borough of Morris Plains) and to other retail and non-retail customers outside the District.

The revised rates and charges reflect an increase of six percent (6%) over current rates and charges.

Rates and charges were last revised in 2007 and no additional increases are presently anticipated in the near future. The revised rates are proposed to become effective on January 1, 2010 for bills rendered after that date.

A PUBLIC HEARING will be held on the proposed revised charges on the 12th day of November, 2009, at 7:30 P.M., prevailing time, at the Authority's principal offices, 19 Saddle Road, Cedar Knolls, New Jersey 07927, at which time and place all interested parties, citizens and persons shall have the opportunity to be heard concerning same. The Authority reserves the right to make such further modifications or revisions of the proposed rates as may be deemed appropriate as a result of the public hearing.

NOTICE IS FURTHER GIVEN that The Southeast Morris County Municipal Utilities Authority intends to take formal action on the proposed rate revisions at its regularly scheduled meeting immediately following the public hearing at the time and place set forth above; and upon such other matters as shall properly come before the Members at that time.

8 Inch	\$ 188.03	\$ 199.31
10 Inch	\$ 262.09	\$ 277.82

DEFINITIONS

CONSUMPTION CHARGE: This charge includes the cost of treating the water and pumping it to the customers.

FACILITIES CHARGE: This charge covers the cost of water service lines, meter installation, meter reading, billing costs and other expenses. This does not change with consumption.

BILL CALCULATION: The consumption charge is calculated by subtracting the prior meter reading from the present reading. This answer is then multiplied by the rate per 100 cubic feet. The applicable facilities charge is then added to this amount making total water bill.

Reduced Rate/Credit for Public Housing Authorities and Non-profit Organizations Building Affordable Housing

- A. Effective January 26, 2005, public housing authorities and non-profit organizations building affordable housing shall be allowed a fifty percent (50%) reduction in the Connection Fee for new connections to the Water System.
- B. For units previously connected to the Water System that were demolished or refurbished to allow for new affordable housing units for which a Connection Fee was previously paid, public housing authorities and non-profit organizations shall be entitled to a credit against the Connection Fee equal to the Connection Fee previously assessed and paid for connection to the Water System for units previously connected to the Water System.
- C. The Connection Fee assessable against a public housing authority or non-profit organization for units previously connected to the Water System that were demolished or refurbished to allow for new affordable housing units shall be the lesser of the reduced rate provided for in Paragraph A above; or the current Connection Fee applicable to other types of housing

developments minus the credit provided under Paragraph B above provided that the public housing authority or non-profit organization can establish that a Connection Fee was previously assessed and paid for connecting to the Water System. If the public housing authority or non-profit organization cannot establish that a Connection Fee was previously assessed and paid for connection to the Water System, the reduced rate provided for in Paragraph A above (i.e. fifty percent (50%) of the regular Connection Fee) shall be assessed.

The reductions set forth in Paragraphs A, B and C above are provided pursuant to the provisions of P.L. 2005, Chapter 29 of the Laws of the State of New Jersey (N.J.S.A. 40:14B-23) adopted and effective on January 26, 2005.
